Customize report options in ioViewer

Corporate Communications - 2019-03-01 - Comments (0) - SuperChems™

Process Safety Office® ioViewer makes customizing report content easy. Follow these three steps to generate options you would like included in reports for SuperChems™, PHAGlobal®, and ioAuditor:

1. Click on “Report Options” tab.
2. Report contents are displayed; select the desired sections that need to be included in the report.
3. Click "OK" or immediately move onto the "Generate Report" tab to export the PDF report.
