

## Announcing Process Safety Office® v9.0

2019-11-25 - Corporate Communications - Comments (0) - News

We are pleased to announce to all users the release of Process Safety Office® v9.0.

Version 9.0 delivers an improved computing engine and a brand new SuperChems™ Visual Interface (SCVI). These new advancements result in better usability for our customers.

### Advantages

- New capabilities
- Enhanced user interface
- Improved productivity
- Optimized calculation times
